Southern District of New York

Re: *Donoghue v. Achillion Pharmaceuticals, Inc.*, No. 1:14-cv-8353-PAC (S.D.N.Y.)

Dear Judge Crotty,

I write on behalf of all Parties in the above-referenced matter, and in accordance with Local Civil Rule 7.1(d) and the Court's Individual Rule 1(E), to request a one-week extension of the Parties' deadline to submit the necessary paperwork regarding the settlement reported during the June 3, 2015 Interim Pretrial Conference. The date on which the Parties are currently due to submit the settlement paperwork is June 17, 2015 (Dkt. 52). This is the Parties' first request to extend that deadline.

During the June 3, 2015 Interim Pretrial Conference, the Parties informed the Court that they had reached agreement on terms to settle the Section 16(b) claims against the RA Capital defendants and Blackwell. The Parties have made significant progress toward completing a stipulation of settlement (the "Stipulation") and proposed order and final judgment approving the settlement (the "Proposed Order"), but need more time to

finalize those documents. Counsel for all Parties have conferred and seek to bring a joint motion to extend the deadline to submit the Stipulation and Proposed Order until June 24, 2015. Accordingly, the status conference currently scheduled for June 17, 2015 at 4:00 p.m. is no longer necessary. The request does not affect any other scheduled dates.

Respectfully submitted,

By: /s/ Derek Musa
